NABL ACCREDITATION
CERT. NO : C-0264

ACCREDITATION BY NABL

We have been accredited by **NABL (National Accreditation Board for Testing and Calibration Laboratories)** Dept of Science and Technology, Government of India – **ISO / IEC 17025 : 2005 for site calibration.**

Hitech - a name in material testings...

About Ourselves

Hitech India Equipments Pvt. Ltd. is a leading organization in the area of **Material Testing Equipments** for the past **26 years**. We have an active involvement in **Marketing, Service and Calibration** of all kinds of **Material Testing Equipments, Metrology Equipments, Metallurgy Equipments, Video Profile Projectors, Profile Projectors, Image Analyzers, Metallurgical Microscope, Muffle Furnace and Hot Air Oven Etc.,**

Our Service Wing

We have a strong team of service engineers who have wide experience in **Commissioning, Servicing** of all kinds of **Material Testing Equipments**. All our engineers undergo vigorous training at the factory every year with regard to up gradation of machines.

We undertake calibration of machines supplied by us as well as other makes. Most of the calibrations are witnessed by third party witnessing agencies such as **TUV, IBR, LLOYDS, IRS, BVQI, GERMANESH LLOYDS & RITES.**

We have been accredited by **National Accreditation Board for testing and calibration Laboratories (NABL)** for site calibration.
